

Warren County Community Foundation, Inc.

*Serving Donors, Awarding Grants, and
Providing Leadership in Warren County, Indiana.*

2009 Annual Report

Executive Message

The year 2009 was again a tumultuous year for the world, Warren County, and the Foundation. Our investments continued the downward spiral from 2008, but by the end of December, our approximate total investment return was 20%! 2009 was definitely a year of ups and downs. Many Warren County friends found themselves unemployed, and the food pantries reported record numbers. However, despite the hard times, everyone continued to give in the usual Warren County spirit! Friends helping friends - that is the special and unique quality of Warren County and our donors; working toward a common goal and seeing a better, stronger future.

Foundation Offers Match

With the establishment of the first annual Warren County Giving Day, the Foundation's Board of Directors made the decision to offer our first self-funded match program by matching 50% of all donations. Skeptical that we would raise the

“2009 - What a year!”

maximum \$50,000, the community took advantage of the offer and donated exactly \$50,000 to receive the \$25,000 in match money. Through the match program, a new

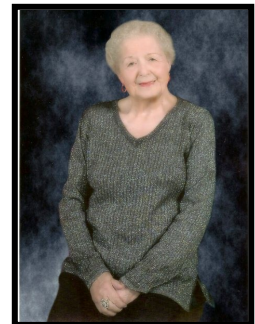

endowment fund was established to support Economic Development projects in Warren County as well as supporting 27 of the 41 existing Foundation Funds. Again, friends helping friends.

Community Support

Due to the downturn in the economy beginning in 2008, the Foundation Board of Directors felt it was in the best interest of all the donors to protect the Funds' values by not distributing grants or scholarships in 2009. The community showed their support by donating many pass-through funds to continue with scholarships and grants to

meet emerging needs that would otherwise go unmet. Thousands of dollars were given to both food pantries and the Salvation Army to fund food, shelter, glasses and prescriptions for our Warren County friends.

Jody Larson

Loss of a Friend

The Foundation has many friends that donate time, talent and treasure. One of those special friends, Joan 'Jody' Ringer Larson, died suddenly last August of 2009. However, Jody and her family left a lasting legacy at the Foundation by honoring her parents through the establishment of the Ringer MAC Van Fund and the Ringer Senior Center Fund. The many donations that were received from her passing were a testimony of Jody's life and involvement in the community.

(See Page 2)

The Future is Bright

(Continued from Page 1)

Jody was a close friend of the Foundation, and faithfully donated her gifts for a stronger, more resilient Warren County. She will be greatly missed.

Looking ahead to 2010

In 2009, the Foundation experienced tremendous success because of the continued support of all its donors. We are thankful for the strength and perseverance of those in our communities who have the vision for a better, stronger future. The Foundation reached out to assist many people in 2009 and created a new-found awareness of its programs and services. We are much more than a source of funding, but a resource for knowledge and leadership as we work to assist the charitable causes in Warren County, and our friends. We are excited about the possibilities for 2010 and look forward to forging better partnerships and lasting friendships. Together we can accomplish much.

Sincerely,

Dan Laughner
President,

Carol Clark
Director

"What a man does for himself, dies with him. What a man does for his community lives long after he's gone."

Fun Family Films

After the excitement and exhaustion of the Holidays, the Foundation offered a fun way to ward off January blues by offering a series of four family-friendly films at the historic Devon Theater in Attica. The festival kicked off with Steven Spielberg's 1982 blockbuster, E.T. *The Extra Terrestrial*. The films continued every other Saturday through February, and included *North by Northwest*, *Annie*, and *The Princess Bride*. This initiative was one of the programs that were supported by the Lilly Strategic Resource Development Grant. Many retirees and families enjoyed seeing their favorite films on the "big screen".

Film Festival

WCCF's Third Annual Film Festival

For Good. For Ever. For Warren County.

Ernie Awards

The third annual Ernie Awards Program was held Tuesday September 15th to honor seventeen organizations' best volunteers. Over 185 people attended the awards banquet, representing eighteen organizations. The evening was a tremendous success as valuable volunteers were honored for their selfless deeds! Volunteers who donate time, talent, and treasure are the true lifeblood of the many groups and organizations that actively improve the quality of life in Warren County. Without our volunteers, many of the groups would cease to exist, and valuable services to the community would be lost.

The Ernie Award is named in honor of Ernie Slauter, a charter member of the

Foundation and the first Executive Director. Ernie was a wonderful philanthropist for all to follow, and continues to be a true inspiration.

Recipients of the "Ernie"

Giving Circle

The Women's Legacy Builders, a giving circle within the Foundation, hosts an annual tea each spring to promote philanthropy and build the Legacy Endowment. The group's members are dedicated women who want to enrich Warren County programs through their annual support of membership to the Foundation and group endowment building.

In 2009, the event was held at the Warren County Learning Center on April 4th. Attendees enjoyed wonderful desserts, tea and coffee, and inspiring and educational presentations by Lilly Scholar Britani Hollis and Dermatology

Nurse Theresa Coyner. Polly Morgan (Chair) and Karen Milligan were noted as outgoing committee members having served a three year term. The event was enjoyed by many Warren County women on a lovely Saturday afternoon. Layna Cottingham closed the program with an inspirational message, and challenged the women to leave a positive legacy in the community in which they live and serve.

Committee members: Pam Larson, Polly Morgan, Layna Cottingham, Brenda McIntosh, Karen Milligan, and Donna Lyon (not pictured)

For Good. For Ever. For Warren County.

Giving Day

The first annual Warren County Giving Day was a tremendous success because of the generous nature of local friends and neighbors! November 18th marked the date of the first annual event. The Warren County Community Foundation designated the specific day for Warren County residents to contribute and give back to their community through donations or service.

The Foundation collected \$50,000 in donations that went into specific funds such as the MAC Van Fund, the Senior Center Fund, Reading and Writing Fund, and the Seeger Athletic Boosters Fund, just to name a few. In addition, the Foundation matched those donations at 50%, and contributed \$25,000 from the Community Grants Fund to assist local needs and organizations!

“I was so impressed with the entire Warren County Community! All the schools, clubs, churches and civic organizations responded to our request to give back. Money, food, clothes, and necessities were collected to help others not so fortunate. It really was a testimony to the giving nature of Warren County people,” said Carol Clark, Foundation Director.

First Giving Day Huge Success!

The goal of the Giving Day is to unite Warren County friends by working toward a common goal and seeing a better, stronger future. The Foundation is extremely thankful to everyone that participated in Giving Day activities, and looks forward to the second annual Giving Day November 17, 2010.

For Good. For Ever. For Warren County.

New Funds

The Warren County Community Foundation grows with donations big and small. Gifts to the Foundation are as varied as the donors and the needs of the community for which they are intended. To create a unique fund, bearing a specific name and purpose, a gift of cash or assets valued at \$5,000 or more needs to be placed with WCCF. In 2009, two new endowment funds were added to the Foundation's assets.

Foundation friends created the designated endowment, Habitat for Humanity of Benton, Fountain, and Warren Counties Fund, and the Warren County Local Economic Development Organization Board of Directors created the advised endowment, Economic

Habitat and Economic Development

Development Fund. Both funds were a wonderful addition to the charitable resources available at the Foundation, and are extremely important to the donors and to the needs in Warren County.

No matter the size of a gift, all assets are professionally managed and monitored by a board of local leaders who know the community and will work to honor the donor's wishes.

The Foundation will

make it possible for anyone to have a charitable fund that can have a positive influence on the community's future.

Carol Clark and John Wright, LEDO President

Pass - throughs

Many emerging needs surfaced due to the struggling economy in 2009. Unemployment rates in Warren County rose to record levels. Friends of the Foundation gave to help those in need, while some gave and challenged others by providing matching funds. The end result was a unified giving spirit, and an answer to many prayers. The Good Samaritan Fund Pass-through helped hundreds of people with food items at the two food pantries, and also provided rent, utilities, prescriptions and glasses for sixteen families by matching Salvation Army requests.

Another example of a pass-through project was the Holiday Ham drive. In less

than two weeks, the community supported the purchase of 120 hams for Christmas dinners.

WCCF Partners with Salvation Army

Making an Immediate Difference

These pass-through projects were the answer to many immediate needs. Because of the flexible giving opportunities of the Foundation, many people had food to eat, a warm home, and a light in which to see by. The Foundation is thankful every day for the donors that allow us to make a difference in Warren County lives, now and into the future. For good. For ever. For Warren County.

*"We make a living by
what we get; we make a
life by what we give."
-Winston Churchill*

Gifts

Gifts to the Warren County Community Foundation are invested and managed as permanent endowments to produce income. The income earned is then used to help meet the community's charitable needs – from social work and education to economic development. There are a variety of ways these funds can be used to fulfill a donor's charitable goals. Donors have the flexibility of donating to existing funds or creating individual funds.

Unrestricted Funds

If you wish to provide resources for your community to meet future needs, assist an existing program, or even start a new program; the unrestricted fund will be your choice. Your gift will be granted by a community board for purposes which are meaningful and timely.

Field of Interest Funds

Perhaps you have a particular interest in a specific area or need. It might be your hometown, or a special interest such as youth, religion, healthcare, or education. The Foundation Board will award grants from your fund within the area you have designated in your particular fund agreement.

Advised Funds

Do you want more "say" in the yearly grant distributions? You, as the donor will advise the Foundation Board on grantees by serving on the selection committee. You may also specify the selection committee.

A Fund to Fit the Need

Designated Funds

Are you devoted to one or more particular charitable organizations? You may wish to establish a designated fund, thereby assuring that a favorite charity(ies) will receive annually from your endowed fund. This could be your favorite animal shelter or Alma Mater!

Agency Endowment Funds

If you have been a supporter of a particular agency within your community or nationally, you may want to establish an agency endowment fund. The agency itself may establish the fund to ensure an uninterrupted and dependable source of funding to carry out the work on a perpetual basis.

Scholarship Funds

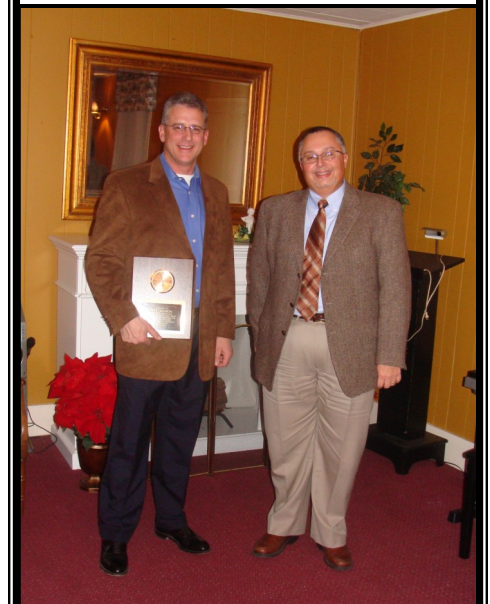

A customized scholarship fund to assist students will provide assistance for tuition and fees. A Foundation scholarship is customized to the donor's wishes. Eligibility of applicants, application procedures, and the amount of scholarship support are all designated to reflect the wishes of the donor.

Special Project Funds

Immediacy is an element in the Special Projects Funds. Perhaps a new project emerges, a need arises, or a non-profit group requests fundraising assistance from the Foundation. Rather than establish a permanent endowment, resources are given to support these special short-term goals.

Giving is easy through the Warren County Community Foundation. Gifts can be flexible and unique as the individual donors. Cash is the most common gift, but real estate, personal property, appreciated securities, and bequests among others are all acceptable forms of donations that qualify for a charitable deduction in the year the gift was made. Anyone can become a philanthropist through the Warren County Community Foundation by turning dreams in reality!

Honoring a Friend

A true friend of the Foundation! Burt Etchison was honored for serving 10 years on the Board of Directors. He continues his passion for helping Warren County by donating time, talent, and treasure. Thank you Burt!
