2005 was also a year we will remember as year of natural disasters resulting in many people in need. The Aldridge Foundation is pleased to have contributed to various non-profit organizations who made good use of the funds received from the foundation. Below are a few responses from a few recipients of what we were able to contribute.

* Selman Living Lab - was hit by a tornado doing extensive damage to their facility. Letter of thanks from SLL Director, Bill Caire. (Click here to read)

* Salvation Army (Arkansas/Oklahoma Division) - Hurricane Releif - Letter of thanks from Sandra Brown:
