## A MESSAGE FROM THE PRESIDENT

Renowned anthropologist, Margaret Mead once said: *“Never doubt that a small group of committed citizens can change the world: indeed, it’s the only thing that ever has.”* At the Community Foundation for Northeast Michigan we are fortunate to be involved daily with individuals that want to change the world, to make it a better place for all of us. The staff and trustees work with donors and organizations that are making a difference in the lives of people in northeast Michigan. This year’s annual report highlights some of the wonderful things we were able to accomplish by partnering with our donors.

The Community Foundation for Northeast Michigan’s 2008 Annual Report will tell you about the grants we’ve made, list our funds, update you on some of our activities and reacquaint you with our Board of Trustees and staff. It celebrates a year marked by many challenges but also by many significant accomplishments. In 2008, despite the downturn in the investment market, the Community Foundation for Northeast Michigan and its affiliates: North Central Michigan Community Foundation; Straits Area Community Foundation; and Iosco County Community Foundation, received gifts of \$802,711, an increase over last year of more than 36%. We also awarded grants of more than \$3.6 million in 2008, including the transfer of ownership of the Thunder Bay Recreation Center.

As we reflect on the past year, we are grateful for the opportunity to strengthen and facilitate the philanthropic spirit in northeast Michigan. We are proud of our unique role in bringing individuals and organizations together to make our region a better, healthier place for all. We appreciate the continuing support of our communities as we work with organizations and individuals from all walks of life to address current and future needs.

Our vision for the future is one in which all residents of northeast Michigan enjoy the benefits of strong, vibrant communities. We approach 2009 with a renewed commitment to help those who care make a difference. We look forward to serving you – the residents of northeast Michigan – for years to come.

William E. Morford  
President

# Northeast Michigan Youth Advisory Council (NEMYAC)

NEMYAC is a permanent committee of the Community Foundation for Northeast Michigan (CFNEM) and is comprised of approximately 60 students and seven adult advisors from the counties of Alcona, Alpena, Montmorency, and Presque Isle. Since April of 1993, youth members have recommended nearly \$750,000 in grants for the four county service area. Thanks to a challenge grant from the W.K.Kellogg Foundation, NEMYAC has over \$1 million permanently endowed in a youth field-of-interest fund. The fund provides nearly \$50,000 each year to be allocated for youth related programs and projects. After the students review grant applications and reach consensus about funding amounts, their recommendations are presented to the CFNEM Board of Trustees for final approval.

NEMYAC grants benefit youth in our communities through a wide variety of programs and projects.

# Affiliate YACs

CFNEM's affiliate Youth Advisory Councils (YAC) award grants each year to youth programs in their communities. Young people in Iosco County (ICCF), Crawford, Ogemaw, and Oscoda Counties (NCMCF), and Cheboygan County and Mackinaw City (SACF) benefit from these grants. YAC members learn about the value of philanthropy, grantmaking, and volunteerism through their grant reviews, grant evaluations, and community service activities.

## Iosco County Community Foundation YAC

In 2008, the ICCF YAC awarded \$15,417 in grants to youth programs in Iosco County's communities.

Left: Three ICCF YAC members attended the 2008 Summer Youth Leadership Conference, hosted by the Council of Michigan Foundations (CMF).

### 2008 YAC Grant

ICCF YAC awarded a grant to St. Joseph Health System for a program for teens and their parents aimed at helping young people make good decisions about relationships.

## North Central Michigan Community Foundation YAC

### 2008 YAC Grant

Ogemaw County YAC awarded a grant to First United Methodist Church for the Summer Enrichment Program. Activities included a day at the beach, a visit to a petting zoo, days at the park and other fun opportunities.

NCMCF YACs learn about philanthropy through grantmaking and community service. Above, YACers practice reviewing grant applications during their 2008 annual orientation meeting in October.

In addition to grantmaking, YAC members participate in community service activities like sending care packages to U.S. troops, helping with book drives, and taking part in Kids Against Hunger events.

## Straits Area Community Foundation YAC

### 2008 YAC Grant

During 2008, the Straits Area YAC (SAYAC) awarded \$5,485 in grants to youth programs in Cheboygan County and Mackinaw City.

Left: Members of Mackinaw City's Close Up group give a presentation about their grant application to the Youth Advisory Council.

SAYAC awarded a mini grant to Mackinaw Area Schools to purchase new uniforms for the junior high basketball teams. Their other uniforms were about ten years old.

## APPLYING FOR A GRANT

The Community Foundation for Northeast Michigan welcomes grant applications from tax-exempt organizations recognized under Section 501(c)(3) of the Internal Revenue Code, and other qualified public entities (churches, schools, and governmental agencies). Grant applications are reviewed by program staff and evaluated by screening committees of the Community Foundation, who make recommendations to the Board of Trustees. The Board makes the final determination regarding all grants.

Grants are made in areas such as education, environment, health care, human services, humanities, and public benefit. Generally, grant awards are made only to eligible organizations that benefit the residents of northeast Michigan. Applicants can find grant and scholarship information, forms and deadlines on our website at [www.cfnem.org](http://www.cfnem.org), or by calling the Foundation's program staff at (989) 354-6881, or toll free at (877) 354-6881. To make it even easier, you can now fill out and submit grant or scholarship applications online.
